

American Standard Network Cabinet Manufacturer

Article Overview

American Standard Manufacturing, Inc. does not produce network cabinets; for U.S.-based network cabinet solutions, companies like Tecmojo, GETEKnet, Legrand, and American Data Supply are leading providers.

Clarification on American Standard Manufacturing: American Standard Manufacturing, Inc. (ASM) specializes in cylinder storage and handling equipment, including propane and high-pressure cylinder storage, and ergonomic handling solutions . They do not manufacture server racks, network cabinets, or data center enclosures. U.S.-based Network Cabinet Manufacturers and Suppliers:

- Tecmojo: Based in Chicago, Tecmojo provides custom server racks and network cabinets, including fully assembled and pre-configured solutions for enterprise and data center environments. They offer U.S. inventory, factory-direct sales, and bulk discounts, with assembly and testing before shipment .
- GETEKnet: Offers OEM network cabinet solutions, including floor-standing cabinets, wall-mount cabinets, open racks, and accessories. They provide customization to meet international standards and are suitable for data centers, telecom operators, and system integrators .
- Legrand: A global provider with U.S. manufacturing facilities, Legrand supplies fully enclosed server and network cabinets with high load capacities, seismic certification, and flexible sizes. They offer turnkey solutions, pre-loaded racks, and rapid deployment options .
- American Data Supply: A national distributor of network racks and data cabinets,...
