

Cable tray support

Article Overview

You can purchase cable tray supports directly from manufacturers like Shilden, Trayco, Ekabel24, and through B2B platforms such as DirectIndustry and Tradewheel for customized and bulk solutions.

Leading Manufacturers and Suppliers

Shilden specializes in designing and manufacturing durable cable tray systems, including ladder trays, perforated trays, wire mesh trays, solid bottom trays, and channel trays. They offer materials such as stainless steel, galvanized steel, aluminum, and FRP/GRP composites, suitable for industrial plants, commercial buildings, offshore platforms, and data centers. Shilden provides custom solutions, corrosion and fire-resistant options, and easy installation support for direct buyers . Trayco is a Belgian manufacturer producing cable trays, mesh trays, and cable ladders. They provide tailored solutions and project guidance, including customized quotes and installation advice. Trayco emphasizes optimization and consulting for cable support systems, making them a strong option for direct manufacturer engagement . Ekabel24 offers a wide range of cable trays and ladders in hot-dip galvanized steel, stainless steel, and halogen-free plastic. Their products comply with DIN EN 61537 and international standards, suitable for indoor and outdoor installations. They cater to electrical contractors, industrial facilities, and renovation projects, providing direct sales options for bulk or specialized orders . DirectIndustry lists multiple cable tray support manufacturers, including Ebo Systems, Electric Power Engineering, and VALDINOX. This platform allows buyers to directly contact manufacturers for professional purchases, including brackets, supports, and complete cable tray systems . B2B Marketplaces like Tradewheel and B2B Headlines connect...
