

Custom-made household electrical distribution boxes for Saudi Arabia

Article Overview

Saudi Arabia offers a range of manufacturers providing custom-made electrical distribution boxes and enclosures suitable for residential and industrial applications.

Leading Manufacturers and Suppliers

1. **Sheet Metal Factory** This company specializes in custom electrical enclosures and cabinets, offering a one-stop solution for design, processing, and customization. They provide tailored electrical boxes for household and industrial use, leveraging advanced equipment and a professional technical team to meet client specifications .
2. **Industrial Systems Group (ISG)** ISG is a Saudi-based manufacturer of explosion-proof and standard electrical enclosures, including panel boards, junction boxes, meter housings, and motor starters. They are ISO certified and approved by Saudi Aramco and SABIC, ensuring compliance with local safety and quality standards. ISG can provide customized solutions for residential distribution panels .
3. **Perfect Automation & Innovation** Located in Riyadh, this company manufactures power distribution boxes and control panels. They offer customized panels for household and commercial applications, ensuring precise specifications and cost-effective solutions .
4. **Alfanar Electrical Systems** Alfanar is a major manufacturer and exporter in Saudi Arabia, producing distribution panelboards, metal enclosures (IP65), wiring accessories, and power cables. They offer wall-mounted or floor-standing enclosures suitable for outdoor and indoor household applications. Their products comply with NEMA and IEC standards and have type test certifications from labs like KEMA and ASTA .
5. **Electrotel** Electrotel provides a wide range of metal, PVC, and glass-fiber e...
