

Elevator Distribution Box Direct Sales Manufacturer

Article Overview

Elevator distribution boxes are available directly from specialized manufacturers and distributors offering high-quality, certified enclosures for residential, commercial, and industrial elevators.

Key Manufacturers and Distributors

- LiftEquip GmbH – A German-based company supplying elevator components worldwide, including distribution boxes, controllers, and safety parts. They focus on high-quality, flexible solutions suitable for both small and large elevator manufacturers .
- Schmidt Elevators – Offers a comprehensive range of elevators and related components, including distribution boxes, with emphasis on reliability, EN81-20/50 and EN115 certifications, and after-sales support .
- DirectIndustry Suppliers – Platforms like DirectIndustry list multiple manufacturers of distribution enclosures suitable for elevator systems. Products include IP65/IP66 waterproof enclosures, ABS or polycarbonate housings, DIN rail mounting modules, and all-in-one controller boxes for high-voltage connections .

Features to Consider

- Material and Protection: Elevator distribution boxes are typically made from high-strength ABS, polycarbonate, or metal, offering impact resistance and protection against dust, water, and electromagnetic interference (EMC shielding) for indoor an...
