

Estonian electrical distribution box manufacturer company

Article Overview

Eltech Solutions OÜ, ESB Group, and Könnert & Söhnen are key companies in Estonia manufacturing electrical distribution equipment.

Eltech Solutions OÜ

Eltech Solutions OÜ is a leading Estonian company specializing in the design, manufacture, and sale of electrical equipment, including low, medium, and high voltage installations. They produce switchgear, controlgear, and complete substations such as the ES-CAV concrete enclosure and ES-OSM metal enclosure compact substations. Their products comply with international standards like IEC 62271-202:2014, EN 61439-1, EN 61439-2, and EN 60947-1, ensuring high quality and safety. Eltech Solutions also offers custom configurations, relay protection, communication devices, and FAT testing for industrial projects .

ESB Group

Founded in 2012, ESB Group provides complete electrical solutions, from design to manufacturing. They produce substations, electrical switchboards, and diesel generators, focusing on client-specific, reliable, and durable solutions. Their approach emphasizes innovation and flexibility, making them suitable for a wide range of industrial and commercial projects .
