

French professional manufacturer of mesh cable trays

Article Overview

Leading French manufacturers of mesh cable trays include Cablofil (Legrand Group), OB Profils, Niedax France, and Valdinox, offering high-quality, customizable solutions for industrial and commercial installations.

Key Manufacturers

Cablofil (Legrand Group) specializes in wire mesh cable trays, providing lightweight, robust, and flexible solutions that are easy to install, modify, and expand. Their products are designed for efficiency and adaptability in both new and existing installations, with a focus on environmentally friendly, recyclable materials. OB Profils, based in Prunay-le-Gillon, designs and manufactures a wide range of cable trays and support systems. They offer custom-made solutions for various construction sites, with standard widths from 50 to 600 mm and heights from 25 to 100 mm. OB Profils provides a complete range of accessories, including supports, fittings, fasteners, and screws, in multiple finishes such as Sendzimir, Electrogalvanized, Hot Dip Galvanized, Magnélis®, Aluminum, Stainless Steel, and PVC. Niedax France is a French leader in metal cable support systems, with over 60 years of experience. They supply cable trays and support structures for sectors including industry, energy, transport, and infrastructure. Niedax offers a comprehensive range of products, including perforated, ladder, and solid-bottom trays, and provides solutions for complex technical environments. Valdinox focuses on easy-to-install wire mesh cable trays with innovative systems like EASYCONNECT®, which integrates a self-coupling mechanism to reduce installation costs and enhance durability, safety, and lifespan.

Considerations for Choosing a Manufacturer

- **Product Range:** Ensure the manufacturer offers the tray type, size, and finish suitable for your project.
- **Customization:** Some manufacturers, like OB Profils, provide tailored solutions for specific site requirements.
- **Installation Efficiency:** Systems like Cablofil and Valdinox emphasize ease of installation and adaptability.
- **Sustainability:** Manufacturers such as Cablofil focus on recyclable and environmentally friendly materials.
- **Technical Support:** Companies like Niedax and OB Profils provide project guidance...
