

Guatemalan Electrical Distribution Box Brands

Article Overview

Key suppliers and brands of electrical distribution boxes in Guatemala include ELECSA, Disgema, Anixter Guatemala, and Mouser Guatemala.

Local Suppliers and Distributors

ELECSA is a 100% Guatemalan company with over 30 years of experience distributing high-quality electrical equipment, including distribution boxes and related materials. They focus on personalized service and project support for both residential and industrial applications (ELECSA) . Disgema, S.A. is another national supplier offering a wide range of electrical materials, including distribution boxes, wiring, and installation accessories. They provide personalized advice, home and project deliveries, and maintain a large inventory of electrical products (Disgema) . Anixter Guatemala specializes in industrial electrical enclosures and distribution boxes designed for extreme conditions. Their products include NEMA-rated enclosures (1, 3/3R, 4, 4X, 12) suitable for industrial and commercial installations (Anixter Guatemala) . Mouser Guatemala offers a variety of distribution boxes with detailed specifications, datasheets, and pricing. They provide both standard and specialized electrical enclosures suitable for residential, commercial, and industrial use (Mouser Guatemala) .
