

# Huijue Fiber Optic Cable Production Line

## Article Overview

Shanghai Huijue Network operates a comprehensive fiber optic cable production line with advanced facilities for manufacturing, assembly, and testing of optical fiber products.

### Company Overview

Shanghai Huijue Network Communication Equipment Co., Ltd., established in 2001, is a leading manufacturer and solution provider for telecom and communication products, headquartered in Shanghai with a production base in Jiangsu Province . The company specializes in FTTX products, optical fiber components, outdoor cabinets, and data center solutions, serving both domestic and international markets including the USA, Europe, Southeast Asia, and Australia .

### Production Facilities

Huijue's production base spans over 35,000 square meters and includes eleven specialized assembly workshops, covering sheet metal, patch cord, and fiber optic cable production . The facilities are equipped for metal precision production, optical fiber assembly, and cabinet manufacturing, ensuring high-quality output for telecom and data center applications .

### Fiber Optic Cable Production Line

The fiber optic cable production line at Huijue includes:...
