

# Malta Imported Electrical Distribution Box Manufacturing

## Article Overview

Malta primarily relies on imported electrical distribution boxes, supplied by local distributors and specialized electrical suppliers.

### Overview of Distribution Box Suppliers in Malta

Several companies in Malta provide a wide range of imported electrical distribution boxes suitable for residential, commercial, and industrial applications:

- FBP Malta offers a variety of distribution boxes designed for safety and efficiency, including options for different pole configurations and DIN rail mounting .
- BigMat Malta supplies domestic consumer units and power distribution boxes with specifications such as IP20 ratings, 3+N poles, rated currents up to 63A, and short-circuit capacities up to 10 kA .
- Hydroelectric Ltd provides consumer units, distribution boards, and panels suitable for various electrical installations .
- Darmanin Supplies features imported distribution boards and protective devices from brands like POLOMAX, ensuring compliance with industry standards and high durability .
- MCE Limited specializes in electrical installation equipment, including distribution boxes, catering to both residential and industrial needs .
