

Mauritania Factory Electrical Distribution Box Manufacturer

Article Overview

Key manufacturers and suppliers of electrical distribution boxes in Mauritania include ElecPlus, EDM, and Machinesequipments, offering both equipment and installation services.

ElecPlus

ElecPlus specializes in the distribution of medium and low voltage electrical equipment, including MT/BT lines, transformer stations, and low-voltage networks. They provide a full range of electrical distribution solutions, including renewable energy systems such as solar and wind, and offer technical support, project execution, and after-sales service. ElecPlus partners with internationally recognized manufacturers to ensure compliance with European and international standards, making them a reliable source for high-quality electrical distribution boxes and related equipment (ElecPlus) .

EDM

EDM, incorporated in 2007, is a major installer and supplier of electrical equipment in Mauritania. They handle transformer stations, LV and MV lines, and power cabinet distribution. EDM has executed over 270 projects across telecom, energy, civil engineering, and IT sectors. They also specialize in solar station installations and tower civil works, providing turnkey solutions for electrical distribution systems. Their experience with telecom operators like Mauritel and ZTE demonstrates their capabil...
