

Mauritius Low Voltage Distribution Box Manufacturer

Article Overview

Legrand, Lumitech Ltee, and CMH are key providers of low-voltage distribution boxes and enclosures in Mauritius.

Key Manufacturers and Suppliers

1. Legrand Mauritius Legrand offers a wide range of low-voltage distribution boxes and enclosures suitable for residential, commercial, and industrial applications. Their product lines include Practibox S, Drivia, XL³, XL³ S, and Plexo³, with cabinets ranging from 4 to 72 modules. These enclosures are designed for easy wiring, modern aesthetics, and compliance with IEC standards. Options include surface-mounted or flush-mounted cabinets, transparent or smoked doors, and IP-rated weatherproof models for indoor and outdoor installations . 2. Lumitech Ltee Lumitech Ltee is a local electrical contractor and manufacturer specializing in design, build, installation, and commissioning of electrical and control cabinets. They provide low-voltage distribution boxes for industrial, commercial, and power plant applications, including renewable energy setups. Their services include custom fabrication, transformer installation, vacuum pumping, and oil circulation for power equipment, making them a full-service provider for complex electrical projects . 3. CMH Mauritius CMH supplies a broad range of electrical solutions, including distribution boards, accessories, and home automation systems. They collaborate with international brands to provide high-quality low-voltage enclosures suitable for construction projects, residential setups, and commercial installations
