

# Middle East Emergency Explosion-proof Distribution Box Company

## Article Overview

Leading suppliers of explosion-proof distribution boxes in the Middle East include WAROM, ExTek, Sensor Control LLC, and Jireh Energy Solutions, offering ATEX, IECEx, and UL-certified products for hazardous environments.

### Key Suppliers and Offerings

WAROM Technology MENA FZCO WAROM operates as a regional hub for the Middle East and North Africa, providing a “One Stop Total Solution” for explosion-proof products, including distribution boxes and enclosures. They offer on-site production, assembly, technical support, and quality assurance systems. Their products include explosion-proof air conditioners, pressurized enclosures, and distribution boxes, with customization available to meet client-specific requirements . ExTek Middle East ExTek supplies a wide range of hazardous area electrical products, including explosion-proof junction boxes, plugs, sockets, and signaling components. They focus on preventive maintenance, power system modifications, and sustainable solutions for industries such as oil & gas, hospitals, and data centers. ExTek emphasizes compliance with international standards and provides technical support for both Greenfield and Brownfield projects . Sensor Control LLC Sensor Control LLC specializes in ATEX, IECEx, and UL-certified explosion-proof electrical boxes in the UAE, Saudi Arabia, and the broader Middle East. Their product range includes Exd-type and Exe-type junction boxes made from materials such as stainless steel (304, 316L), die-cast aluminum, and glass-reinforced materials. These enclosures are designed to contain potential explosions and ensure safety in hazardous environme...
