

Oman Roadside Distribution Box Manufacturer

Article Overview

Perfect Automation & Innovation and Premier Switchgears Co L.L.C are leading manufacturers of power distribution boxes in Oman.

Key Manufacturers

1. Perfect Automation & Innovation Located in Muscat, Oman, Perfect Automation & Innovation specializes in manufacturing and supplying power distribution boxes, control panels, and power contactors. They offer custom-designed products for efficiency and reliability, ensuring high-quality standards through strict inspections. Their solutions are suitable for roadside and industrial applications, and they provide tailored options to meet specific client requirements (Perfect Automation & Innovation) . 2. Premier Switchgears Co L.L.C Premier Switchgears provides a wide range of FRP enclosures, kiosks, and power distribution panels. Their products include automatic mains failure changeover panels, power factor correction panels, MCC/Control panels, and MDB/SMDB panels with ratings up to 4000A. They adhere to IEC 61439-1 & 2 standards and offer both standard and type-tested solutions, making them suitable for roadside and industrial electrical distribution needs (Premier Switchgears Co L.L.C) . 3. NEI Distribution Boxes NEI MCB distribution boxes are available in single-phase and three-phase configurations, with multiple ways (4, 6, 8, 10, 12, 16) and incoming options like isolators, ELCB, RCCB, and outgoing MCBs ranging from 6A to 60A. These boxes comply with IEC439 standards and are suitable for various electrical distribution applications in Oman (EneFinder)
