

Overview of a Thai Cable Tray Factory

Article Overview

SMC Siam is a leading Thai cable tray manufacturer, offering high-quality, durable cable management solutions for industrial and infrastructure projects.

Company Background

SMC Siam was established in 1991 and has grown into one of Thailand's top cable tray manufacturers, with a registered capital of 24 million Baht . The factory spans 15,000 square meters and is equipped with modern machinery and computer-controlled production systems, supported by an experienced production team . The company emphasizes quality, efficiency, and prompt service to meet customer satisfaction .

Production Capabilities

The factory produces a wide range of cable tray systems, including ladder trays, perforated trays, and solid bottom trays . These products are designed for easy installation and maintenance, making them suitable for large-scale projects such as commercial buildings, industrial plants, and power plants . SMC Siam uses high-quality materials like galvanized steel and aluminum to ensure corrosion resistance and durability in harsh environments .

Materials and Product Features

- Galvanized Steel: Ideal for heavy-duty industrial applications.
- Aluminum: Lightweight and corrosion-resistant for specialized environments....
