

Price of Cable Tray for Sockets

Article Overview

Cable trays for sockets typically range from \$15 to \$34 for consumer under-desk models, while industrial or bulk trays can cost between \$0.80 and over \$76 per unit depending on material and size.

Consumer (B2C) Pricing

For home or office use, under-desk cable trays designed to hold multiple sockets and power bricks are priced between \$15 and \$34 per unit. These trays are usually made of powder-coated steel or plastic, feature easy installation methods like screw-on or clamp systems, and are suitable for managing small to medium cable bundles . Wholesale prices for these consumer trays can be as low as \$0.92, offering potential for resale with moderate markup.

Industrial and Commercial (B2B) Pricing

For larger-scale applications such as data centers, construction projects, or manufacturing facilities, cable trays are available in stainless steel, galvanized steel, or aluminum, with prices ranging from \$0.80 to over \$76 per unit depending on size, load capacity, and material . Bulk purchasing through platforms like Alibaba or direct from manufacturers can significantly reduce per-unit costs. These trays comply with standards such as DIN EN 61537 and are designed for high load-bearing capacity, corrosion resistance, and long-term durability .
