

Price of New Zealand Trapezoidal Cable Trays

Article Overview

Trapezoidal cable trays in New Zealand typically cost between NZD 50 and NZD 200 per meter, depending on material, size, and finish.

Pricing Overview

The cost of a trapezoidal cable tray varies based on several factors:

- **Material:** Pre-galvanized steel, hot-dip galvanized steel, stainless steel, or powder-coated finishes affect the price. Stainless steel trays are generally more expensive due to corrosion resistance .
- **Size and Load Capacity:** Wider trays or those designed to carry heavier cables cost more. Depth and width specifications directly influence pricing .
- **Supplier and Brand:** Suppliers like FDG, Stern, Steel & Tube, and RS NZ offer different pricing structures. Custom finishes or powder coating may add to the cost .
- **Accessories and Fittings:** Elbows, tees, reducers, and mounting brackets are sold separately and can increase the overall project cost .

Typical Price Range

- Standard steel trapezoidal trays: NZD 50-100 per meter
- Hot-dip galvanized or powder-coated trays: NZD 100-150 per meter
- Stainless steel trays for industrial or corrosive environments: NZD 150-200+ per meter...
