

Price of Welded Partition Plates for Cable Trays

Article Overview

Welded partition plates for cable trays typically range from ₹16 to ₹30 per piece in India, depending on tray height and size.

Pricing Details

For standard steel coupler plates with hardware, the prices vary based on the height of the cable tray:

- 25/50 mm height trays: 20/30 x 200 mm plates cost ₹16 per piece
 - 50 mm height trays: 30 x 200 mm plates cost ₹16 per piece
 - 75/100 mm height trays: 70 x 200 mm plates cost ₹30 per piece
- These prices are ex-stock in Mumbai, and GST is charged extra. Delivery is typically within 3-5 days, with a minimum order quantity of 50 meters .

Material and Application Considerations

- Steel plates: High strength and durability, suitable for heavy-duty applications, often with rust-resistant coatings like galvanization or powder coating .
- Stainless steel plates: Excellent corrosion resistance, ideal for moist or chemical-prone environments, and maintain aesthetics in visible areas .
- Aluminum plates: Lightweight with moderate strength, resistant to corrosion, easier to handle and install, reducing labor costs
