

Quote for 24-pin cold connector

Article Overview

24-pin connectors are available from multiple suppliers, including Mouser, HARTING, CMR Direct, and econ connect, with options for standard, IDC, and cryogenic applications.

Supplier Options

- Mouser Electronics offers a wide range of 24-position pin and socket connectors, including Molex models, with inventory, datasheets, and pricing available online. You can request a quote directly through their website for specific part numbers .
- HARTING provides the har-flex IDC 24-pin connector (PL1), suitable for signal applications. Pricing and availability can be obtained by contacting HARTING or their distributors .
- CMR Direct supplies a 24-way male connector for cryogenic use, compatible with twisted woven looms in materials like niobium titanium, beryllium copper, copper, and constantan. This is ideal for low-temperature applications, and a quote can be requested directly from CMR .
- econ connect offers DIN 41651 IDC 24-pin sockets with a 2.54 mm pitch, including options for pre-assembled cables or raw connectors. They provide customized solutions and quotes upon request .

How to Obtain a Quote

- Identify the specific connector type (standard, IDC, cryogenic, or pre-assembled cable).
- Visit the supplier's website and select the part number.
- Use the "Request Quote" or "Contact Sales" option to get pricing based on quanti...
