

Rack price for 1000mm deep server racks

Article Overview

1000mm deep server racks range from around \$276 for small open-frame racks to over \$3,000 for fully assembled, high-capacity floor-standing cabinets.

Price Overview

- **Small Open-Frame Racks (15U-22U):** Prices start at approximately \$276 for a 15U 4-post open-frame aluminum rack with 1000mm depth, suitable for light server setups and networking equipment (Rising Electronics) and around €903–€1,074 for 22U steel racks with tempered glass doors (Rack247) .
- **Medium Floor-Standing Cabinets (32U-42U):** These racks typically cost between \$1,025 and \$2,100, depending on features such as tempered glass doors, perforated panels, adjustable rails, and fan compatibility. Examples include SysRacks SRF1000 32U-42U cabinets (\$1,025–\$1,225) and Sturdx 42U cabinets (\$1,490) .
- **High-Capacity Commercial Racks (42U-45U):** Fully assembled, heavy-duty racks with high static load capacity (up to 3,000 lbs) and advanced features like pre-installed casters, cable management, and fan kits can cost \$2,090–\$3,000+. Examples include NavePoint 42U Commercial Series cabinets (\$2,090) and Serveredge 45RU fully assembled cabinets (\$3,000) .

Factors Affecting Price

- **Rack Height (U):** Taller racks (42U-45U) are more expensive due to increased material and load capacity.
- **Material and Build:** Aluminum open-frame racks are lighter and cheaper, while steel floor-standing cabinets with reinforced frames and tempered glass doors cost more.
- **Features:** Perforated doors, fan kits, cable management, locking mechanisms, and pre-assembled units increase the price.
- **Load Capacity:** Racks supporting heavier equipment (up to 3,000 lbs) are priced higher.
- **Accessories:** Included shelves, PDUs, and mounting hardware can affect the total cost.

Summary

For 1000mm deep server racks, you can expect:

- **Budget/Open-Frame:** \$276–\$1,100
- **Mid-Range Floor Cabinets:** \$1,025–\$2,100
- **High-End Commercial/Heavy-Duty:** \$2,090–\$3,000+ Choosing the right rack depe...
