

Ranking of Brands for Low-Voltage Fire Protection Cable Trays

Article Overview

Top brands for low-voltage fire protection cable trays include Atkore, Legrand, Eaton, Thomas & Betts, and Invicta Durasteel, recognized for quality, fire safety compliance, and reliability.

Leading Global and Regional Manufacturers

Atkore International is a global leader in cable tray systems, offering a wide range of solutions including fire-rated and low-voltage cable trays suitable for industrial, commercial, and infrastructure projects . Legrand provides comprehensive cable management solutions, including fire-rated trays, raceways, and accessories, with a strong focus on electrical safety and compliance with North American standards . Eaton (Cooper Crouse-Hinds division) supplies industrial and commercial cable trays, including fire-rated options, emphasizing durability, ease of installation, and adherence to NEMA and UL standards . Thomas & Betts manufactures cable trays and management systems for industrial, commercial, and residential applications, offering fire-rated solutions that meet stringent safety requirements . Invicta Durasteel specializes in fire-rated cable enclosures designed to protect critical low-voltage power and data infrastructure during fires, with compliance to BS EN 1366-5:2003 standards .
