

Recommended Information on Italian Cable Trays

Article Overview

Italian cable trays are high-quality, standards-compliant systems available in ladder, perforated, and solid-bottom designs, made from steel, stainless steel, aluminum, and FRP, suitable for industrial, infrastructure, and renewable energy projects.

Leading Italian Manufacturers

Italy hosts several reputable cable tray manufacturers known for quality and compliance with European standards:

- Schiavetti Tekno (Spina Group): Offers stainless steel, galvanized, and wire-mesh trays in ladder, perforated, and closed-bottom types, with custom sizes and compatibility with Unistrut systems. They provide full technical support, testing, and after-sales service .
- SITIE: Established in 1945, specializes in industrial installations and plant automation, producing robust trays for oil, gas, and chemical sectors .
- Sati Italia S.p.A: Known for industrial cable management, recently integrated with DKC Europe for expanded market reach .
- Zamet SPA and DKC Europe: Provide versatile, functional solutions for industrial electrical cable conveyance .
- Steel Line CMS: Manufactures high-performance trays for both civil and industrial applications .
