

Recommended companies for Benin electrical distribution boxes

Article Overview

CPER Benin, as the official distributor of Legrand products, is widely regarded as the top choice for high-quality electrical distribution boxes in Benin.

Leading Supplier: CPER Benin

Le Comptoir Professionnel d'Electricité et Réseau (CPER) is a specialized distributor of electrical equipment in Benin, focusing exclusively on Legrand products, which are known globally for their quality, safety, and advanced features . CPER ensures that all products are original, certified, and compliant with international safety standards, making it a reliable choice for residential, commercial, and industrial installations. The company also provides technical support, training for installers, and project follow-up, ensuring proper installation and maintenance .

Other Notable Suppliers

- COBEDIMEN: Specializes in the distribution of electrical materials and general electrical supplies in Benin .
- EKEA SARL: Offers a range of electrical equipment including inverters, generators, and batteries, with trained engineers and technicians for support .
- BENELEC: Provides electrical materials and installation services for residential, commercial, and industrial projects .
- INSTAFRIC-ELEC: Focuses on innovative and reliable electrical solutions for businesses, with a strong emphasis on quality service and local support
