

Recommended manufacturers of electrical distribution boxes in Saudi Arabia

Article Overview

Top manufacturers in Saudi Arabia include Coloria, Industrial Systems Group (ISG), GEDAC Electric, SKKBO, and Gulf Trans Power, offering certified, high-quality electrical distribution boxes for residential, commercial, and industrial applications.

Key Manufacturers

1. Coloria Group Coloria is a leading Saudi supplier of home electrical distribution boxes, offering SASO-certified, flame-retardant, and IP-rated enclosures suitable for residential projects. Their products are designed to withstand local climate conditions, including high temperatures and humidity, and they provide affordable, reliable, and locally supported solutions across Riyadh, Jeddah, and Dammam . 2. Industrial Systems Group (ISG) ISG specializes in industrial and explosion-proof electrical equipment, including panel boards, circuit breakers, junction boxes, and enclosures. Established in 2008, ISG is ISO 9001 certified and approved by Aramco and SABIC, making it a trusted choice for industrial and utility projects . 3. GEDAC Electric Operating since 1978, GEDAC Electric manufactures and supplies low and medium voltage power distribution equipment, including switchgear, load centers, and motor control centers. They offer customized solutions for industrial, utility, and commercial projects, with in-house design and type-tested products, ensuring compliance with international standards . 4. SKKBO SKKBO provides customized electrical boxes and distribution boxes for residential, industrial, commercial, and s...
