

SR cable tray representative

Article Overview

To contact an SR cable tray representative, you can reach out to SR Switchgear or SR Electrical for sales and technical support.

SR Switchgear Cable Trays

SR Switchgear offers ladder-type cable trays designed for heavy-duty industrial and commercial applications. These trays feature a robust ladder structure with side rails and cross rungs, providing strong support for large bundles of power and control cables. The open design allows natural ventilation, reducing heat buildup, and the trays are available with finishes like powder coating or hot-dip galvanizing for durability in harsh environments. SR Switchgear emphasizes flexibility, ease of installation, and long-lasting performance .

SR Electrical Cable Trays

SR Electrical provides a range of steel cable trays, including ladder, channel, and wire basket types. Their product line supports various cable management needs, from general wiring to industrial installations. SR Electrical also offers accessories, supports, and fittings to complement cable tray systems, ensuring safe and organized cable routing .
