

Spanish Electrical Distribution Box Manufacturer

Article Overview

Spain hosts several reputable manufacturers of electrical distribution boxes, including E-Abel, AGAD, Cuadros Eléctricos JM, and Serca, serving both domestic and international markets.

Key Manufacturers

- E-Abel: Specializes in electrical enclosures, control panels, and distribution boxes, offering turnkey industrial and OEM solutions for sectors like data centers, medical facilities, and EV charging systems. They provide customizable solutions with efficient lead times and eco-friendly manufacturing practices .
- AGAD Barcelona SA: Founded in 1979 and headquartered in Barcelona, AGAD produces industrial and energy metering panels, including distribution boxes. The company is ISO-9001 certified and serves both domestic and international clients, with expertise in renewable energy and automation panels .
- Cuadros Eléctricos JM: A smaller manufacturer based in Pepino, Toledo, focusing on HVAC, industrial cooling, and pumping systems. They provide high-quality, tailored solutions for niche industrial applications .
- Cuadristas Serca: Located in Alcalá de Henares, Madrid, Serca has over 30 years of experience in electrical panel design and production, offering medium-scale manufacturing with a focus on reliability and customization .
- IDE: Offers a range of distribution boxes and electrical enclosures, catering to residential, commercial, and industrial applications .

Distributors and B2B Platforms

- Grupo Electro Stocks and GRUDILEC: Major distributors of electrical materials in Spain, providing access to a wide range of distribution boxes and related equipment with strong logistics and retail networks .
- Europages B2B Directory: Lists multiple Spanish suppliers and manufacturers of electric distribution boxes, allowing direct contact for wholesale and industrial procurement .

Additional Resources

- Electrical and Energy Solutions Spain: A platform highlighting Spanish manufacturers with international presence, offering insights into technological tren...
