

Spanish Switch Industry Series Company

Article Overview

Spain hosts a diverse range of switch companies, including manufacturers of electrical, network, and industrial switches, as well as distributors and specialized service providers.

Key Manufacturers and Suppliers

- GOTTAK S.L. – Over 40 years of experience in designing and manufacturing rotary switches for household appliances, kitchen equipment, air conditioning, and heating systems .
- Telergon – Specializes in low-voltage switchgear solutions, including multipolar DC disconnectors for photovoltaic systems and automatic transfer switches (ATS) for uninterrupted power supply .
- Novatronic Sistemas – Provides COTS L2/L3 managed router switches for defense, avionics, and aerospace applications, supporting real-time communications and edge computing .
- Cablematic – Offers unmanaged network switches, such as the TP-Link TL-SG105-M2 with 2.5G Ethernet ports, suitable for home and business networks .
- INGESDATA Networks – Supplies a wide range of corporate voice and data network switches, focusing on advanced technology and expert support .
- Keynet – Manufacturer of passive structured cabling and fiber optic network products, including SPF switches for network connectivity .
- Lanmedia – Provides networking and communication solutions, including switches for digital transformation and IT optimization .
