

Stainless Steel Cable Tray Production in the UAE

Article Overview

The UAE hosts several leading manufacturers producing high-quality stainless steel cable trays for industrial, commercial, and infrastructure projects, with local production ensuring compliance with international standards and customization options.

Key Manufacturers and Capabilities

DANA Steel UAE manufactures stainless steel cable trays in Grades 304 and 316(L), offering various finishes including powder-coated and epoxy-coated options. Their products comply with IEC 61537, BS EN 61537, and NEMA VE standards, and they provide light, medium, and heavy-duty trays suitable for networking, commercial, and industrial applications. Manufacturing facilities are located in Dubai and Ajman, serving projects across the UAE and GCC countries . Ruwais Steel supplies a wide range of stainless steel cable trays, including ladder, trunking, perforated, and hot-dip galvanized options. Their production adheres to ISO 9001:2008 quality standards, with rigorous testing for tensile strength, dimensional accuracy, and hardness. They focus on durable, weather-resistant cable management systems suitable for industrial and construction projects . West Port Cable Tray specializes in perforated, ladder, and solid bottom stainless steel trays, along with a full range of accessories such as bends, reducers, and connectors. They cater to sectors like data centers, infrastructure, and oil & gas, offering customization in widths, depths, and finishes including epoxy-coated and hot-dip galvanized . INOX INFRATECH produces stainless steel cable trays with thicknesses ranging from 1.0 mm to 2.5 mm and widths up to...
