

Swiss dual-fiber dual-electrical switch brand

Article Overview

Currently, there is no widely recognized Swiss brand offering a combined dual-fiber and dual-electrical switch, but Swiss electrical switches and dual-channel smart switches are available separately.

Swiss Electrical Switches

Switzerland has a strong market for premium electrical switches with smart integration and designer aesthetics. Brands like Feller EDIZIO due dominate the residential market, offering screwless, flatplate designs compatible with smart home systems such as Philips Hue and Matter/Zigbee protocols. These switches focus on dual-channel control for lights and appliances, providing high reliability, sleek glass finishes, and easy cleaning, but they do not include fiber-optic switching.

Dual-Channel Electrical Smart Switches

For dual-electrical control, products like SONOFF DUALR3/DUALR3 Lite allow independent management of two electrical appliances or motorized devices. Features include:

- Dual-channel load control for lights, fans, or curtains
- Real-time power metering per channel
- Compatibility with traditional wall switches (rocker, momentary, SPDT)
- Smart home integration via app or voice control...
