

Syrian Cable Tray Custom Manufacturer

Article Overview

APV Group and Al Ashoury Cable Trays are leading manufacturers of cable tray structures in Syria.

APV Group

Founded in 1999 in Damascus, APV Group specializes in cable management systems, including metal cable trays, flexible conduits, electrical panels, and underfloor boxes . The company emphasizes high-quality production, accurate measurements, and customization to meet diverse market demands. APV Group focuses on competing with imported products by maintaining strict quality standards and providing tailored solutions for industrial and commercial projects . Their team of qualified and well-trained experts ensures reliable and durable cable management systems suitable for various infrastructure applications.

Al Ashoury Cable Trays

Al Ashoury Cable Trays is another prominent Syrian manufacturer, known for its advanced technology and precision engineering in cable tray production . The company offers bespoke solutions designed to withstand harsh industrial environments, emphasizing durability, reliability, and safety. Al Ashoury's factory integrates flexible manufacturing processes, allowing for customized cable tray systems that support modern infrastructure and connectivity projects. Their products are widely recognized for quality and innovation, making them suitable for large-scale industrial and commercial installations
