

Taiwanese electrical distribution box manufacturer processing price

Article Overview

Pricing for Taiwanese electrical distribution boxes varies by specifications, material, IP rating, and order volume, with quotes typically provided directly by manufacturers like E-tan.

Overview of Taiwanese Manufacturers

E-tan is a leading Taiwanese manufacturer specializing in industrial enclosures, electrical boxes, junction boxes, control boxes, and wall boxes. They offer plastic and weather-resistant enclosures with high ingress protection ratings, including IP68, suitable for harsh environments such as coastal, marine, renewable energy, and water treatment applications. Their products can be customized with precise machining, accessories, and mounting configurations to meet specific project requirements.

Pricing Considerations

The price of distribution boxes depends on several factors :

- Material: Plastic, metal, or hybrid enclosures affect cost.
- IP Rating: Higher protection levels (e.g., IP65-IP68) increase price.
- Size and Capacity: Larger boxes with more circuits or higher amperage ratings cost more.
- Customization: Special mounting, labeling, or integration with smart monitoring s...
