

UAE Power Distribution Box Custom Manufacturer

Article Overview

Several UAE-based manufacturers provide custom power distribution boxes tailored for industrial, commercial, and specialized applications.

Leading Manufacturers and Suppliers

1. Al Safeenah Engineering – Offers robust distribution boxes made from carbon steel, stainless steel, or thermoplastic, with IP65/IP66 ratings for weatherproofing. They provide modular designs for DIN-rail mounting, corrosion resistance, and compliance with IEC 61439-1, UL 67, and CE standards. Customization options include enclosure material, circuit capacity, environment type, and accessories like busbars and terminal blocks .
2. Power Distros – Specializes in high-performance power distribution solutions for data centers, marine, entertainment, and infrastructure projects. They provide purpose-built equipment tailored to site-specific requirements, ensuring precise and reliable power management .
3. WAROM UAE – Manufactures standard and explosion-proof distribution boxes, including BXM and HRMD series, suitable for hazardous environments .
4. Translight – Supplies premium distribution boards and enclosure boxes for industrial, commercial, and residential applications. They offer single and double door boards, pan arrangements for MCBs/RCCBs, and tailored solutions for diverse power...
