

What are some brands of trunk optical cables

Article Overview

Some well-known brands of trunk optical cables include Corning, Molex, EFB-Elektronik, Superior Essex, AFL, and ZTO Cable.

Leading Brands and Manufacturers

- Corning Inc: A global leader in fiber optics, Corning offers high-performance trunk cables and pioneered low-loss optical fiber technology, making it a top choice for long-haul and data center applications .
- Molex: Known for its OptoTrunk Cables, Molex provides pre-terminated, high-density trunk cables designed for data centers, supporting 72-fiber and 144-fiber configurations with LC and expanded beam connectors .
- EFB-Elektronik: Offers a wide range of fiber optic trunk cables, including U-DQ (ZN)BH and universal loose tube designs. They provide customizable options for fiber count, cable length, and connector type (LC or SC), suitable for both single-mode and multimode applications .
- Superior Essex: Supplies domestically manufactured fiber optic cables compliant with Build America, Buy America (BEAD) standards, suitable for government and enterprise networks .
- AFL: Provides high-quality trunk cables and optical fiber solutions for long-haul, enterprise, and data center networks, emphasizing reliability and low insertion loss .
- ZTO Cable: A vertically integrated manufacturer offering a full spectrum of optical fiber solutions, including high-density ribbon trunk cables, FTTH, and data center applications, with a focus on innovation and supply chain resilience
