

What are some high-speed optical cable manufacturers in Sri Lanka

Article Overview

Key high-speed optical cable manufacturers in Sri Lanka include Sierra Cables, DCL Engineering, ACL Cables, and T&G Lanka, all offering fiber optic solutions for telecommunications and data networking.

Leading Manufacturers

Sierra Cables produces a diverse range of cables, including fiber optic options, emphasizing high quality, durability, and rigorous testing to meet both local and international standards . DCL Engineering (Private) Limited specializes in ICT technology and structured cabling solutions, including fiber optic systems. They are the sole distributor of Premium Line products, which support advanced fiber-optical structured cabling for commercial and industrial applications . ACL Cables PLC is the largest cable manufacturer in Sri Lanka, producing high-quality cables including advanced low voltage XLPE cables suitable for fiber optic applications. They have a strong market presence and a reputation for innovation . T&G Lanka (Pvt) Ltd manufactures fiber optic patch cords, FTTA cables, and other high-speed optical solutions. Established in collaboration with T&G Elektro AS and Sierra Cables, they maintain strict quality standards, ensuring minimal signal degradation and high-speed data transfer. Their production facilities are equipped for large-scale and custom cable manufacturing .
