

What kind of company is Zhongya Cable Tray

Overview

Our company, founded in 1859, specializes in the development and production of high-quality wire and metal goods. We provide electric cables for innovative projects worldwide. MAXGO stands for reliable, fast, and demand-oriented cable assembly. If you are looking for cable ties, heat shrink tubing, automotive and solar clips, cable glands. Cable trays, as the name suggests, are structural systems used to hold and support cables and wires in commercial, industrial, and infrastructure settings. Its main functions include serving as structural framing members for walls, roofs, and floors in light steel construction; providing support and bracing for walls and partitions; and acting as secondary. Shandong Zhongjia Equipment Manufacturing Co.
