

Where can I buy cable trays troughs

Article Overview

You can find cable trays and troughs from suppliers like McMaster-Carr, Legrand, CableTiesAndMore, and CableOrganizer, offering a wide range of materials, sizes, and delivery options.

Online Suppliers

McMaster-Carr offers a variety of cord and cable troughs, including steel formable trays and wire ducts, with options for same-day or next-day delivery . Their selection includes both standard and specialized cable management solutions suitable for industrial and commercial applications. Legrand provides Cablofil steel trough trays, which are designed for strength and security, particularly when limiting cable access is important. They also offer multipurpose splices for straight runs, offsets, and bends of various angles . CableTiesAndMore carries a wide range of cable tray systems, including wire mesh, ladder trays, and baskets. Their products are durable, corrosion-resistant, and configurable for overhead or under-floor installations. They also offer accessories to complement the trays . CableOrganizer specializes in cable tray systems for routing and supporting large quantities of power or data cables. They offer basket-style, snake trays, solid trays, and ladder trays, suitable for both simple and highly customized setups .

Key Considerations

- **Material:** Choose between steel, galvanized steel, or PVC depending on durability and environmental conditions.
- **Configuration:** Options include ladder, basket, solid, or trough-style trays to suit c...
