

Where to buy low-noise fiber optic couplers

Article Overview

You can purchase low-noise fiber optic couplers from specialized suppliers like Thorlabs, EFB-Elektronik, RP Photonics, and major online marketplaces such as Amazon.

Recommended Suppliers and Online Stores

1. Thorlabs Thorlabs offers a wide range of single-mode, polarization-maintaining, multimode, and double-clad fiber couplers, including PLC splitters and components suitable for OCT and low-noise applications. They provide detailed specifications for insertion loss, polarization extinction ratio, and wavelength compatibility, making them ideal for research and industrial use . 2. EFB-Elektronik EFB-Elektronik specializes in high-quality fiber optic couplers with low attenuation and ceramic sleeves. They offer LC, SC, MTP, singlemode, multimode, and E2000 couplers, including custom designs for specialized applications. Their online store provides expert advice and fast delivery, suitable for both standard and custom low-noise requirements . 3. RP Photonics Supplier List RP Photonics maintains a comprehensive buying guide with over 90 suppliers of fiber couplers. This resource allows you to compare technical specifications, types of couplers (FBT, PLC, WDM), and supplier capabilities, helping you select low-noise options for your application . 4. Photonics Buyers' Guide This guide lists 54 top manufacturers and suppliers of fiber optic couplers, including PM fiber components, splitters/combiners, and high-reliability optical modules. It is useful for identifying suppliers that provide low-noise, high-performance couplers for telecom, medical, and industrial applications . 5. Amazon...
