

# Which company makes reliable flame-retardant cable trays

## Article Overview

Top companies producing reliable flame-retardant cable trays include Flamro, AIS, Meka Pro, Fire-Stop Systems, and EAE Group.

### Flamro

Flamro offers FLAMMOTECT-A and DG-CR 0.7 fire protection solutions for cables and cable trays, designed to prevent flame propagation and maintain cable functionality during fire events. Their products are highly resistant to environmental factors such as UV radiation, salt water, oil, and chemicals, making them suitable for indoor and outdoor use in high-risk areas like hospitals, airports, industrial plants, and nuclear facilities (Flamro) .

### AIS

AIS provides Contraflex® cable protection systems with integral thermal insulation and passive fire protection. These systems can withstand jet fires and hydrocarbon pool fires for up to 180 minutes and are blast-rated to 2.15 bars. AIS solutions are designed for industrial applications, offering removable jackets for maintenance and robust protection under extreme environmental conditions (AIS) .
