

Which company makes the best cable trays and busbars

Article Overview

Top manufacturers for cable trays include Eaton, Schneider Electric, Legrand, and Atkore, while leading busbar producers are ABB, Siemens, Schneider Electric, and Panduit.

Cable Tray Manufacturers

- Eaton Corporation – Eaton is a global leader in power management solutions, offering durable galvanized cable tray systems suitable for industrial, commercial, and utility projects. Their products are widely used in data centers and manufacturing plants, emphasizing reliability and compliance with industry standards .
- Schneider Electric – Known for robust cable management solutions, Schneider Electric provides galvanized trays designed for harsh industrial environments, including oil & gas and chemical facilities .
- Legrand Group – Legrand specializes in modern infrastructure cable management, offering trays that combine durability with aesthetic appeal, suitable for commercial and industrial installations .
- Atkore International (Cope Cable Tray) – Atkore's Cope brand delivers highly durable cable trays, particularly for petrochemical and power generation applications, with options for customization and extended warranties .
- Snake Tray – Snake Tray manufactures aluminum and steel cable trays, focusing on innovative solutions for data centers, solar installations, and transit projects, ensuring cost-effectiveness and timely delivery . Other notable manufacturers include Chalfant Manufacturing, Sunil Engineering Corporation, and Marco Cable Tray Systems, all recognized for high-quality fabrication and tailored solutions
