

Which company makes the best electrical distribution boxes in Bahrain

Article Overview

Top manufacturers in Bahrain include BSLI, AMETECH, KGC Electricals, Amad Baeed, and Coloria, all known for high-quality, standards-compliant distribution boxes.

Bahrain Switchgear & Lighting Industries (BSLI)

BSLI, established in 1986, is a leading local manufacturer of LV switchgear and distribution boards. Their products are DEKRA type-tested and comply with IEC 61439-2 standards, ensuring high reliability and safety. BSLI partners with global brands like General Electric, Schneider, and Doepke, and holds ISO 9001:2015 certification, reflecting their commitment to quality. They also assemble SEN Plus Panels and Motor Control Centers (MCCs), making them a trusted choice for industrial and commercial projects in Bahrain .

AMETECH - Ameeri Industries

AMETECH operates the largest panel manufacturing facility in Bahrain, producing electrical switchgears, control panels, motor control centers, and final distribution boards. Their in-house automatic powder coating plant ensures durable, high-quality enclosures. AMETECH is an official partner of ABB and HIMEL, providing globally recognized components. Their products are widely used for industrial, commercial, and solar power applications, offering reliable electricity distribution and protection .
