

Which company makes the best long-span cable trays in Syria

Article Overview

Top cable tray manufacturers in Syria include Syria Cables, APV Group, Micro Sheet Crafts, and Cable House, all offering high-quality, durable, and customizable long-span solutions.

Leading Manufacturers

1. Syria Cables Founded in 1991, Syria Cables is a well-established manufacturer of electrical cables and cable management solutions in Syria. They provide high-quality products suitable for industrial, commercial, and residential projects, with a focus on durability and engineering standards . Their long experience and commitment to quality make them a reliable choice for long-span cable trays. 2. APV Group APV Group, established in 1999 in Damascus, specializes in cable management systems, including metal cable trays, flexible panels, and underfloor boxes. They emphasize high standards, accurate measurements, and customization to meet local and imported product competition . Their expertise in producing various shapes and sizes makes them suitable for complex long-span installations. 3. Micro Sheet Crafts Micro Sheet Crafts offers modular and customized cable trays in Syria, using high-grade steel and advanced fabrication technology. Established in 2006, they are known for superior quality, stringent quality testing, and on-time delivery . Their products are designed to meet specific client requirements, making them ideal for tailored long-span solutions. 4. Cable House Cable House, operating since 1983, manufactures a wide range of cable trays and related products. They are recognized for sustainable performance, high durability, and reliable features. Their team provides customized...
