

# Which company makes the best stainless steel cable trays in Greece

## Article Overview

TSA Industries and Ghinox are among the top Greek suppliers for high-quality stainless steel cable trays, offering 304L and 316L grades suitable for demanding industrial and construction applications.

### Recommended Suppliers

TSA Industries specializes in stainless steel cable trays designed for construction and industrial projects. Their trays are made from 304L or 316L stainless steel, providing excellent corrosion resistance and durability. TSA emphasizes robustness, ease of installation, and compliance with hygiene standards, making their products suitable for harsh environments. They maintain a well-stocked warehouse and can dispatch products within 48 hours, ensuring rapid availability. Their technical team also provides guidance on selecting the most appropriate solutions for specific projects .

Ghinox is a professional supplier of stainless steel cable trays, offering both SS304 and SS316L materials. They focus on applications in offshore platforms, chemical plants, and hygienic food or pharmaceutical lines, where corrosion resistance and mechanical strength are critical. Ghinox provides high-strength, corrosion-resistant steel coils and plates for cable trays and ladders, compliant with IEC international standards and fully certified with MTC documentation, supporting long-term project reliability .
